SUBJECT: TERRORIST LISTS - SERBIA

REF: State 193615

1. In response to reftel, the Government of Serbia does not have its own national list of banned terrorist entities. It currently uses the United Nations 1267 Sanctions Committee Consolidated List when referencing banned terrorist entities.

2. However, a new draft law on anti-terrorism financing calls for the creation of Serbia's own national list that will include all entities on the UN's list. This draft law will be submitted for GOS approval in early 2007.
